

Penguin Treats - Recipe

Using the attached 6 pictures, listen to your child tell retell the procedure for making "Penguin Treats". As you may know, the Kindergarten class made these treats with Mrs. McDermott last week. Point to each picture as your child retells the step.

- This is how you make Penguin Treats. You need: Oreo Cookies, candy corn, frosting, and M&Ms.,
- Twist the cookie apart.
- Attach the head.
- Stick candy corn feet with frosting.
- Stick on M&M eyes and a candy corn beak.
- Attach the wings. Waddle over and eat!!

Remember to reinforce present tense verbs (e.g. twist, attach, stick...).

Expand on your child's language:

Child: *"Twist."*

Adult: *"Twist the cookie apart."*

For **sequencing** (correct order of events):

Cut the pictures out with your child and have him/her practice putting them in order then retell the procedure together.
