Spider Cookies - Recipe

You will need:

Round cookies

Licorice (string Twizzlers)

Frosting,

M&Ms or Skittles

1. Take two cookies and pass the package to a friend.
2. Spread frosting on the flat side of each cookie.
3. Cut one string of licorice into 8 small pieces for the legs.
4. Push the licorice legs into the frosting of one of the cookies.
5. Place the other cookie on top (like a sandwich).
6. Spread frosting on the top of the "spider body".
7. Add skittles or M&M candies for eyes.
8. Take a bite of the spider before it bites you!! It is ghoulishly delicious.
